SHOCKWAVE

CUSTOM BOATS

We would like to personally thank you for your interest in Shockwave Custom Boats. We hope to help meet your boating needs. You can choose from a variety of boats – from a standard Custom Family Cruiser to an Exotic High Performance machine – or practically anything in between. Our goal is to build a boat for you that provides both thrilling and happy memories for the years ahead.

Every Shockwave Boat is carefully handcrafted with custom gel coat and graphics.

We take great pride in building your boat right down to the last nut and bolt that we install. We are confident that your new Shockwave Boat will exceed your wildest dreams, let us show you how!

YOU DREAM IT, WE'LL BUILD IT!

Our boats are second to none when it comes to quality workmanship and performance. As always, we encourage you to bring your own creativity to the design of your new boat. We look forward to working with you.
